PUBLISHED WEEKLY, BY

C. R. PATTISON.

CURRENT EVENTS.

The California legislature endorses Congress. —The Wisconsin legislature, by a large majority, exhorts Congress to pass the Liberty Bill over the Presidents veto. —Senator Stockton, who illegally represented New Jersey in the Senate, has been ousted by a vote of 22 to 21. New Jersey, never even in her best estate trustworthy, is in a serious muddle in regard to her next senator. In the Senate the Republicans had only one majority. —A Mr. Scoval, President of the Senate, voted with the Democracy, and tied the Senate, when it was proposed to go into joint session for the election of a senator. This Scoval was formerly a Democrat, and is playing the Johnson game on us. —Connecticut has, under the circumstances, clothed herself with honor. The Republicans had an opposition to contend with unparalleled in the history of the party in any State. The President, with a large troop of office-holding adherents, postmasters, revenue officers, and the Democracy, had nominated a man who had acquired some popularity with Republicans, from the fact that he voted for the Constitutional amendment, and during the war had acted mainly with the Republicans. Gen. Hawley is elected by 600 majority, and we have the legislature, thus securing a United States senator. —In Michigan we have made liberal gains throughout the State. —After about twenty whereases, the President has issued a proclamation, declaring peace in all the insurgent States except Texas. It restores the operation of the habeas corpus and gives the States over to entire civil control. Neither Congress or the people believe the rebel States as yet prepared for this. The President has done it in defiance of both. He should have at least paid Congress the decent respect of awaiting the report of the Reconstruction Committee. In this matter he has usurped authority, for which the Senate ought forthwith to impeach him. He has proceeded to the culminating point of a reconstruction which belongs exclusively to Congress, thus endangering the peace of the country. He despises and overrides the popular will as expressed in the recent elections. Let the people deal with him. He gives over the control of the rebel States to the men lately in armed rebellion without a single safeguard, which Congress and the people deem essential. —Gov. Dillham has appointed Geo. F. Edmunds U. S.

senator, a young man only 37 years old, but possessed of great talents and sound to the core. —Gen. Burnside has been elected Governor of Rhode Island, by over 5000. —Governor Crapo has set apart Thursday, the 19th of April, as a day of fasting, humiliation, and prayer. It is fitting, in view of the wickedness of our chief magistrate and the fearful dangers that beset our national future.

ELECTIONS.

The City canvassers not having met, we have not the exact results, but will give the official returns in our next. E. Bogardus, (Dem.) is elected Mayor by twelve majority—last year forty-seven. The Republicans have elected four out of the five Aldermen. In the First Ward, A. M. Noble; Second, Stowell H. Dimick; Third, N. W. Batchelder; Fourth, C. P. Bush; Fifth, (Dem.) Charles Woodruff. In the First District, Hiram Batchelder (Rep.) was elected Supervisor, by a sixty majority. In the Second District, John Gilbert, (Dem.) by about the above majority. John McCready was run in as Clerk, over a soldier, and by Republican votes. We blush to record it. Though Mr. M. is a very clever man and a good Clerk, yet men who have served in the ranks should be rewarded. Mr. Henry Moore was elected Justice by ten majority over one of our best citizens, and, we are ashamed to say, by Republican votes. It was dastardly treatment. We have nothing against Mr. Moore when we affirm that Mr. Holmes is better adapted for the position in almost every respect, bred a lawyer, and being in a position to have thoroughly and satisfactorily attended to the office. More anon. Mr. C. Yost was elected Justice in the Second District.

Ann Arbor elected a Republican over a recreant Johnson Republican, by 210 majority. The Board of Supervisors stands fourteen Republicans to ten Democrats. The following are the Supervisors;

REPUBLICANS—Samuel Grisson and James McMahon, Ann Arbor city; Samuel Crossman, Ann Arbor town; Russell Whipple, Lima, Allen Crittenden, Pittsfield; Calvin Wheeler, Salem; Martin Gray, Saline; J. W. Rice, Sharon; John L. Smith, Scio; Horace A. Smith, Sylvan. Robert McColl, Webster; Peter Cook, York; H. Batchelder, Ypsilanti city; George Jarvis, Ypsilanti town.

DEMOCRATS—Aaron Childs, Augusta; Daniel Le Baron, Bridgewater; Patrick Fleming, Dexter; J. G. Feldkamp, Freedom; Newton Sheldon, Lodi; Arthur Case, Manchester; John Ryan, Northfield; E. M. Cole, Superior; John Gilbert, Ypsilanti city; and —, Lyndon

We have made a handsome gain in the county. Reasonable energy and effort will redeem the county next Fall.

Press of work, resulting from election &c. necessitates the postponement of our issue until early next week.
